State the reasons for denial below.

Comments: On page 1 of 5 of the Certificate of Correction, the change to col.5, line 23 deleting "aperture 354" does not apply since it would result in reference character "354" in Fig. 1 without a reference in the specification. Col.5, line 23 should be corrected as follows: after "aperture 354" insert -- in --.
